

# THÉO ARMAGHAN

## About Me

First-year student at ENSEEIHT with a keen interest in AI, I aim to deepen my knowledge and contribute to the field. Passionate about chess and mathematics, I enjoy strategic challenges and solving complex problems, fueling my desire to explore and innovate in artificial intelligence.

## LANGUAGES

- French: Native
- English: B2
- Spanish: B1

## QUALITÉS

- Creative
- Rigorous
- Curious
- Proactive

## EDUCATION

### 2024 : Université d'Avignon

Bachelor's Degree in Computer Science (CMI) - Mention Très Bien

### 2023 - 2024 : Université de Montréal

International exchange program in Canada

### 2020 : Lycée Marseilleveyre

Baccalaureate - Scientific Series - Mention Très Bien

## INTERNSHIPS

### 2024 : Laboratoire informatique d'Avignon

Research internship in Natural Language Processing

### 2023 : Airbus Helicopters / GR SMART CONSULTING

Assistant to the Product Owner

### 2016 : LIF Marseille

Observation internship

## SKILLS

### Programming Languages:

Java, C/C++, Python, R, html, css, javascript.

### Artificial Intelligence Experience:

- Analysis and processing of large datasets
- Development of machine learning models in Python
- Familiarity with neural networks, supervised and unsupervised learning concepts
